

Faithful Friends

Faithful Friends is a program designed for students who have a parent in the Army. It provides these students with a support network in a casual club setting. The program was initiated by former St. Mary's school counselor, Nancy Salyer in collaboration with Fort Campbell and National Guard units throughout Middle Tennessee. Faithful Friends is about sharing the sadness and joy of having a parent in the military.

The program is available for students in grades 1 through 8 during the school day prior to, during, and following the return of a deployed parent.
