The following students have art work displayed at Catholic Charities, located next door to the school, starting February 22, 2011 through March 18, 2011:

Amanda Burton
Alaina Chandler
Bridget Orr
Regan Orr
Kailonee Razo
Keith Richardson
Bill Rowe
Bailey Stiglich
Kristen Williams.

We have been working on poster contest entries for Catholic Charities Child Abuse Prevention Month in April. The theme this year is "Families Caring for Each Other..." All grades are included. The deadline is March 16, 2011.

This month students will work with printmaking and painting projects. Fourth grade uses papier-mâché, and fifth grade is introduced to mold making. We have cotton smocks to protect clothing. If you prefer, you may send other garments to be used as smocks.

Our parent volunteers in art include Richard and Denise Quintero, and Christie Schumacher. Thank you so much for your contribution!
